Meeting of Board of Trade.

A regular meeting of the board was held in their rooms on Wednesday evening. Mr. W. H. McFarland, in the absence of Judge Jones, acting as chairman, Treasurer Dixon and Secretary Bast were at their respective stations.

The minutes of the previous meeting were read and approved.

The reading of the treasurer's report showed that there was a liberal balance in the treasury, and that the dues of most of the members were fully paid up. The secretary, who had been appointed a committee of one at the last meeting to frame resolutions expressing the regret of the board at the death of their fellow member, R. C. Scrimgeour, submitted the following, which was unanimously adopted:

Whereas, It has pleased the Almighty, in his inscrutable wisdom, to remove from our number, by the hand of death, our respected fellow member and ex-vice president, the late R. C. Scrimgeour; therefore,

Resolved, That in the death of R. C. Scrimgeour the Titusville board of trade has lost a faithful, consistent and energetic member, and the community a loyal, law-abiding and public spirited citizen, as well as a kind hearted, generous neighbor.

Resolved, That we extend to the widow and surviving kin folks of the deceased our heartfelt sympathy and condolence, assuring them that those who knew their departed loved one appreciated his worth and integrity as a man among men, and therefore fully realize the grievous loss they have sustained, and do sadly join them in their great sorrow.

Resolved, That these resolutions be transcribed upon the minutes of the board of trade, and a copy presented to the widow of the deceased.

Unanimously adopted Nov. 14th, 1900. Attest: J. G. Bast, Secretary.

There being a number of complaints made of the railroad freight charges being so excessive for some of our tradespeople as to compel them to go out of business, unless they had relief, Mr. McFarland was appointed a committee of one to obtain specific statements from those aggrieved for action by the board at its next meeting. The board then adjourned.
